POWER AIR KIT

# PHILIPS

### Our complete premium back-of-cab system!

Quick installation with premium and reliable components:

#### QWIK-CHANGE™ Tracker Spring Kits with QWIK-CLAMP™

- 25" extra heavy-duty pre-galvanized springs
- QWIK-CLAMP™ allows for quick cable clamp adjustments in seconds without the use of tools

#### Rubber Air Lines with Factory-Installed Anodized Gladhands

- Anodized gladhands with stainless steel detent plate to prevent corrosion, preserving the air connection in the harshest weather conditions
- Durable color-coded red and blue hoses to easily identify emergency and service air lines
- Rubber handle grips allow for easy coupling and uncoupling

#### ABS LECTRAFLEX™ with QCP™ (Quick-Change Plug)

- The #1 choice for truck OEM's and fleets
- Remove and replace the Quick-Change Cartridge, rather than cutting off the entire plug!
- Trailer side cable guard and extended lead length offer additional cable support and strain relief

Replaceable plug insert.
