# PACCAR Engines Pre-Owned

## Vehicle Coverage Quick Reference Guide (On Highway)

### This is a Quick Reference Guide "ONLY", for On-Highway vehicles. (Class 8)

It is an itemized general listing of the components and/or items used in the assembly of a Peterbilt Vehicle and their respective level of warranty coverage. This list is NOT to be construed as all-inclusive.

Items in **Red** are **excluded** from all extended coverage's.

\* HVAC Components

--- Peterbilt Proprietary Rear Axle Suspensions Components

## BASIC VEHICLE WARRANTY

### 100% Parts and Labor

---	---	--	--

## General Exclusions

Axle Alignments  
Gaskets  
Chrome/Aluminum/Stainless for Pitting or Discoloration

## General Exclusions Continued:

Loose or Rubbed Hoses & Wires (Visible External)  
Paint  
Wheel Seals(Except LMS Hub Seals)

## General Warranty Exclusions

- The following components are warranted directly to you by their respective manufacturer, and are not warranted by Peterbilt Motors Company: Engine and Engine Manufacturer's Accessories, Engine Brake (except PAC Brake), Automatic Transmissions, Tires, Tubes, Fifth Wheel, Pintle Hooks, Hitch, Wheels and Batteries not listed.
- Peterbilt does not warrant antifreeze, lubricants, bulbs, fuses, filters, mud flaps, reflectors, winter fronts, wiper nozzles or wiper blades. Trade accessories such as fire extinguishers, chains, emergency kits and tools are not warranted.
- Peterbilt is not responsible for storage deterioration, wear, and changes in adjustment resulting from normal service. This includes brake and clutch linings, drive belts, wheel balance and axle alignments or upholstery.
- Peterbilt does not warrant metallic chassis (frame) paint. Peterbilt is not responsible for paint chipping or fading, peeling from frame bolts relating to maintenance, or paint peeling from road chemical damage.
- Damage due to accident, misuse, negligence, improper or inadequate maintenance, or unauthorized modification is not warranted. Failure of replacement parts used to repair above conditions are not warrantable.
- Vibrations, squeaks, fitting and hose leaks, unusual noises, rattles, loose nuts/bolts and hose and electrical connections can develop during the early shakedown trips of the vehicle. Up to 25,000 miles/40,000 kilometers, but not later than 90 days after date of delivery, the necessary adjustments will be made without charge. Such developments after this period are usually the result of use and are not warrantable items.
- Peterbilt is not responsible for damage resulting from engine horsepower/torque upgrades

## NON - WARRANTABLE COMPONENTS/ITEMS

+ Not included in Peterbilt Extended (may have supplier extended)

# File with Engine Manufacturer

# Engine (See Engine Coverage)

# Engine Accessories

# Air Compressor (Engine Manufacturer)

Add-on Aerodynamic Device (Dealer Installed)

Antifreeze Solution

+Automatic Transmission (Allison)

Battery

Brake Lining

Bulb

+Fifth Wheel

Filter Element

+Fire Extinguisher

Flag and Flare Kit

Fuel

Fuse

Light Bulb

Lubricant

Mudflap

+Pintle Hook

+Non-Original Equipment

Power Converter

Reflector

+Refrigerator

+Tire

Tow Pin

+Wheels

Winter Front and Bug Screen

Wiper Blade

Wiper Nozzle

## NON - WARRANTABLE:

WEAR, DETERIORATION and/or ADJUSTMENTS

Peterbilt assumes no responsibility for wear and/or Deterioration of parts or Changes in Adjustment as a result of Normal Service.

Examples:

Brake Adjustment  
Brake Drum  
Brake Lining  
Bushings (Serviceable)  
Clutch Brake  
Clutch Facing/Lining  
Engine Accessory Belt  
Fuse  
Mattress  
Paint Chip and/or Fade  
Pilot/Release Bearing  
Soft Trim and Upholstery  
Stainless Steel Discoloration  
Tightening a Bolt and/or Fitting  
Wheel and/or Axle Alignment  
Wheel Bearings  
Window and Windshield Glass

*This list is NOT to be construed as all-inclusive*

## NON - WARRANTABLE FUNCTIONS OR ACTS

Any Vehicle on Which the Odometer has been Altered  
Any Vehicle that has been Altered or Modified in a Manner  
Unauthorized by Peterbilt  
Damage Due to Accidents  
Dyno Testing (Without Prior Regional Authorization)  
Improper or Insufficient Maintenance Service  
Misuse  
Negligence  
Storage (Including Deterioration)  
Road Calls  
Transport  
Troubleshooting and Road Testing
